Ideally located, overlooking the sea, the majestic Thalassotherapy centre, Marhaba Thalasso and Spa offers, in a serene atmosphere, a wide range of treatments adapted to the needs of each guest.

Covering a surface of 5000 square metres over two floors, the centre is able to receive 150 guests per day. The centre is endowed with facilities designed to ensure your privacy, peace and tranquillity.

The centre offers ultramodern fitness room and two luxurious indoor heated pools. One of them with freshwater and the other seawater.

Two Hammam and two Saunas are fitted out to offer you personalised and high quality service.

Enjoy the relaxation room, finely decorated with soothing colours and take advantage of the Tea corner, where you can taste the full virtues of herb tea.

The centre has 24 individual hydrotherapy rooms including jet showers and thalatermes. In addition the centre has 16 massage rooms including a room where couples can enjoy a massage at the same time, in a quite and serene atmosphere.

To ensure safety and well being all the treatments are performed by a team of professionals and experience people: doctor, physiotherapist, hydro therapist and beautician.

To maintain your natural charm and beauty all the specific facilities are at your disposal. This includes 6 cabins of aesthetic a hairdresser and a shop.

The Marhaba Thalasso & Spa offers a perfect blend of comfort and luxury, surrounded by highly qualified crew, the Thalassotherapy centre is an ideal haven for relaxation. You'll find it a perfect place to rest and evacuate your stress.
